DISCLAIMER

FOREVER LEGAL PLLC (“FOREVER LEGAL” or “Firm”) maintains that this Pricing Catalog is exclusively for informational purposes. It is not legal or other professional advice and does not necessarily represent the opinion of the Firm or its clients. Viewing this Pricing Catalog, using information from it, or communicating with the Firm about general pricing inquiries does not create an attorney-client relationship between you and the Firm.

FOREVER LEGAL BELIEVES IN
TRANSPARENT PRICING.

This Pricing Catalog provides a general overview of pricing for business, estate planning, probate, and guardianship services. We are committed to providing clients with a clear understanding of the potential costs associated with their legal matters. While the fees detailed in this Pricing Catalog are estimates, they serve as a guideline to help anticipate expenses. Pricing is always subject to change. A final, binding rate will be outlined in an Attorney - Client Retainer Agreement and Representation Letter (the “Engagement Letter”) after a comprehensive review of your case.

◆ ATTORNEY FEES

Attorney fees cover the time and labor of legal professionals only. Additional costs, such as court and administrative fees and expenses, will be billed separately. Examples of additional costs may include, but are not limited to:

- Court Filing Fees
- Administrative Fees
- Posting and Citation Fees
- Ad Litem Fees
- Expert Fees
- Notary Fees
- Orders
- Printing, Copying, and Faxing Fees
- Legal Research Costs (for addressing novel legal questions or responding to court or opposing counsel inquiries)
- Travel Fees (travel fees may apply for cases outside Fort Bend and Harris counties. These fees are generally billed at half the standard attorney hourly rate)

This Pricing Catalog does not include all potential fees and is not an exhaustive list of expenses. For any questions regarding fees, please contact our office directly.

◆ CONSULTATIONS

FOREVER LEGAL offers two consultation options: a 15 minute complimentary consultation (Level I Consult) and a 45 minute paid consultation via Zoom (Level II Consult). Please note that our Level II Consult is \$350. All consultations must be scheduled through our consultation page at www.discoverforeverlegal.com or by emailing info@discoverforeverlegal.com.

◆ ENGAGEMENT LETTERS AND FEE STRUCTURES

FOREVER LEGAL will provide an Engagement Letter that outlines the fee structure for your case, which may be based on a flat fee, hourly rate, or a hybrid approach (further detailed below). The payment structure depends on the service and the specific facts and circumstances of your case. After the initial consultation, we will provide a retainer quote based on the complexity of your matter. The Engagement Letter will detail legal fees and payment terms for your review and signature. Once the Engagement Letter is signed and the retainer is received, we will work with you to develop a legal strategy aligned with your goals.

Fee Structures:

- Flat Fee: FOREVER LEGAL may charge a fixed fee for specific services, regardless of the time spent on the matter. We offer flat-fee pricing on legal matters that are predictable, simple, and limited in scope. Example: Drafting a Power of Attorney or Transfer on Death Deed.
- Hourly Rate: Depending on the practice area and service, FOREVER LEGAL may charge an hourly rate between \$350 and \$400* structured within a retainer-based fee arrangement. We may require an upfront retainer, which serves as a security deposit. Each month, you will be billed for work completed at the hourly rate. The retainer will be applied to your bill, and any remaining balance will be refunded upon resolution of your matter.

The retainer may also not cover the amount of your bill, in which case you will need to replenish your retainer. Example: Contested cases.

*Note: This hourly rate may vary depending on the practice area and county. For instance, in probate cases where attorney fees are paid from the estate's assets, the hourly rate may be slightly reduced to align with the court's standard approval rate for fiduciary attorneys' fees.

- Hybrid Structure: FOREVER LEGAL may operate on a hybrid fee structure, which may be appropriate in cases where a flat fee is set for a specific legal service, while additional work beyond the initial scope is billed at an hourly rate. This approach provides cost clarity for defined tasks, while also allowing flexibility to accommodate unforeseen developments that may arise during your case. We will clearly outline the details of this fee structure in an Engagement Letter, ensuring transparency and alignment with your needs. Example: Complex Wills or Trusts.

◆ WHAT IS A RETAINER?

A retainer is an amount paid by a client to secure the services of an attorney or law firm. It is typically used to cover legal fees and expenses. When paid, the retainer is held in trust by the firm until earned or used for client-related expenses. If there is any remaining balance at the end of the engagement, it will be refunded to the client.

In some cases, we may request that the client maintain a certain balance in the retainer—known as an “evergreen retainer”—to ensure bills are promptly covered as the case progresses, especially in long-term litigation. Think of an evergreen retainer like a prepaid game card for an arcade. When you load the game card with funds, you can use the card to play games. As you play, the balance on the game card decreases. When the game card balance runs too low, you must reload it to keep playing in the arcade. Similarly, an evergreen retainer is an upfront payment for legal services. As work is completed on your case, your retainer may need to be replenished to continue receiving legal services.

Payment of a retainer does not mean that no additional fees or costs will be incurred. It is also not a budget or estimate of the total cost of the case. Clients should not assume that the retainer amount will cover the entire cost of their legal matter.

◆ PAYMENT OVERVIEW

We are committed to making legal services accessible and affordable for our clients. For your convenience, FOREVER LEGAL accepts most forms of payment, including major credit cards, for both retainer and invoice payments through a secure LawPay website. FOREVER LEGAL also offers flexible payment plan options, further detailed below.

◆ PAYMENT PLAN OPTIONS

At FOREVER LEGAL, we strive to provide fair and competitive rates for all of our clients. However, we understand that legal fees can be a significant burden, which is why we offer two alternative payment options for our clients:

OPTION 1:

FINANCING – AFFIRM/LAW PAY

We offer flexible payment options through Pay Later by Affirm. This financing option allows you to pay your legal fees in manageable installments, so you can access quality legal services without the burden of upfront payments. Please note that Affirm financing is available only to individual clients and cannot be used by businesses or entities for commercial purposes.

Financing availability is subject to eligibility. To apply for Affirm financing, simply choose the “Pay Later” option on your invoice, and you’ll be guided through Affirm’s application process. Payment options through Affirm are subject to an eligibility check and are provided by these lending partners: affirm.com/lenders. Repayment options depend on your purchase amount, and a down payment may be required.

For more information on Affirm financing, please refer to the [Affirm Client Facing Document](#).

OPTION II: SHORT TERM IN-HOUSE PAYMENT PLAN

We offer In-House Payment Plans for select clients who demonstrate trust and creditworthiness. A credit check may be required. Please note this payment plan option must be pre-approved by FOREVER LEGAL. In-House Payment Plans are generally available for amounts under a specific monetary threshold and cannot exceed a 120-day repayment period. Payments are due on the 15th of each month. In-House Payment Plans for amounts exceeding \$1,500 must be processed through our partner, Law Pay, in partnership with Affirm.

◆ LATE PAYMENTS

Any missed payments will incur a fee. You agree to pay interest on past due amounts at the rate of 1.5% per month (18% ANNUAL PERCENTAGE RATE) or the maximum rate allowed by law, until paid. Interest charges will be calculated on all past due amounts and added to the next month's billing statement. Failure to fulfill your financial obligation and make payments as agreed may result in the termination of legal representation. If payment terms are not met, FOREVER LEGAL reserves the right to discontinue services and cease all legal work on your behalf. It is essential to stay current with your payment plan to avoid disruption of your case.

◆ SURCHARGE DISCLOSURE STATEMENT

In accordance with Texas law and applicable federal regulations, FOREVER LEGAL PLLC (“FOREVER LEGAL”) wishes to inform all clients of the following:

Credit Card Processing Surcharge: Effective January 1, 2025, a surcharge of 3% will be applied to any payment made by credit card for services rendered. This surcharge reflects the costs incurred by the firm for processing credit card payments through third-party payment providers.

What is the surcharge? The surcharge is an additional fee added to the total amount due when making a payment via credit card. This fee is non-refundable and will be calculated based on the amount of the payment made using the credit card. For example, if you are paying a total of \$1,000 and the surcharge is 3%, the total charge will be \$1,030 (\$1,000 + \$30 surcharge).

Why is there a surcharge? This surcharge helps cover the costs associated with credit card processing fees that are charged to FOREVER LEGAL by payment processors. We offer credit card payment options for your convenience and pass on a portion of the costs to maintain the ability to accept credit card payments.

Alternatives to Credit Card Payments: If you prefer to avoid the surcharge, FOREVER LEGAL accepts payments via bank transfer, check, or cash, which do not incur this additional fee. However, FOREVER LEGAL In-House Payment Plans must be paid via the Credit Card Authorization Form.

Legal Compliance: This surcharge complies with Texas law and it will be applied in accordance with all applicable laws and regulations.

For any questions or concerns regarding surcharges or payment methods, please contact our office at (832) 802-9937 or by email at info@discoverforeverlegal.com.

GUARDIANSHIP PRICING

FL
5/2025

Guardianship matters are billed at the firm's standard rate. Due to the reasonableness of our rates, a retainer is required before FOREVER LEGAL can formally accept you as a client. All pricing estimates are subject to change and may vary based on the total hours billed for your legal matter. Actual costs may be higher or lower depending on the complexity and specific requirements of your case.

◆ GENERAL INFORMATION

One of the most significant expenses in establishing Guardianship is attorney fees. Hiring an experienced attorney is crucial as we can guide you through complex legal processes, ensuring all paperwork is correctly filed and deadlines are met. Attorney fees can vary widely depending on the complexity of the case and the attorney's experience. The attorney's fees for a Guardianship depend on the type of Guardianship required and whether the matter is contested or disputed. You can expect to pay between \$3,000 and \$5,000+ in attorney fees for undisputed guardianship cases. However, attorney fees can escalate to \$10,000 or more in more complicated cases. Attorney fees for Annual and Final accountings range from \$750-2,500+.

◆ GUARDIANSHIP OF THE PERSON ONLY

Estimated Pricing: \$2,500 - \$3,000+

FOREVER LEGAL often assists the parents or siblings of persons with special needs for a fixed fee. [Continue to the next page.]

Furthermore, the Proposed Ward and the Proposed Ward's family are usually in agreement about the Guardianship. FOREVER LEGAL cannot quote you a fee until the facts and circumstances of the case are determined.

Services for an uncontested Guardianship of the Person includes assistance with the following tasks:

- Attendance at the hearing on the application
- Preparation of the Order Appointing Permanent Guardian of the Person

◆ GUARDIANSHIP OF THE PERSON & ESTATE

For Guardianship of the Person and Estate (combined), Guardianship of the Estate only, and contested matters, the firm's hourly rate will apply. The minimum retainer for these matters is \$5,000, unless the case is uncontested, and we can be confident that our fees will be paid from the Guardianship estate (in which case the minimum retainer may be lowered). Please note that your retainer may need to be replenished as the case progresses. A portion of the retainer will be used to cover associated court filing fees and expenses. Some additional fees beyond attorney fees include:

- Court filing fees (Price varies by county, approx. \$360-\$400)
- Citation preparation (Approx. \$90)
